- Cabinetry/millwork fabricators and installers; painting, soft and hard flooring installers on staff
- Metal stud framing, drywall hanging, and acoustical ceiling and wall installation capabilities
- Rough and finish carpenters on staff; door and hardware installing capabilities

Company Overview

The management team at Foster Federal LLC has overseen all construction and general contracting at Dave Foster Builders LLC, a leader in retail and commercial construction in Hawaii for over 40 years. This highly experienced team oversees all Government contracts through its dedicated business, Foster Federal LLC, which is majority owned by The Hanai Hawaii Foundation, a Native Hawaiian Organization.

Certifications in the SBA 8a and HUBZone programs are pending applications.

CLIENT TESTIMONIALS

"We opened two stores in Ala Moana and Waikiki...rarely do you come across a Contractor that is **talented at both big works and the small details.**" – Marilu Lasagna, Burnello Cucinelli Store Planning Director

"If they ever decided to build on the mainland, **they would be on our short list for all projects...**his team is honest, dependable and incredibly hard-working." – David Gouzy, BCBG Director of Construction

"Your team exhibited great flexibility and commitment, provided sound advice and built a great store that we are very proud of, **on budget and schedule.** You worked very well with our suppliers and adapted well to our team." – Scott Gordan, Tod's Managing Director
